PROFESSIONAL SUMMARY

I'm driven by an entrepreneurial mindset and a commitment to challenging the status quo. Passionate about building high-performing teams grounded in accountability and collaboration, I lead with a focus on innovation, strategic vision, and long-term value creation. I specialize in aligning technical strategy with business goals effectively bridging communication between engineering teams and executive stakeholders to accelerate delivery and market impact

WORK EXPERIENCE

Mroonah, Riyadh, Saudi Arabia | CTO

August 2024 – Present

Defined and executed the company's strategic vision and technical roadmap in the technology space, led product architecture, cloud infrastructure, and backend development using Flask and AWS, Built and managed high-performing engineering teams aligned with business goals, acted as a key board member, driving market growth and long-term innovation initiatives.
