

Sadah Chanti

Accounts Director | Board Member | Social Media Strategy | Digital Marketing Expert

AI & Social Media Guru

Professional Summary

I hold a Bachelor’s degree in Management Information Systems and a Master’s degree in Public Administration, grounding my work at the intersection of technology, strategy, and creativity.

With over 17 years of experience as a bilingual Social Media and Accounts Director, I lead multidisciplinary teams to turn brand ideas into meaningful digital narratives. I blend strategic thinking, data, and AI to build impactful social ecosystems that drive growth and relevance.

Beyond marketing, I am driven by innovation in communication itself, exploring new ways to modernize systems, including reimagining diacritical marks for clarity and result orientation in the digital age.

I move with vision, curiosity, and proactivity, where creativity is not just how I work, but how I think.

Core Competencies

Category	Skills & Expertise
Strategic Leadership	Social Media Strategy, branding, Team Leadership, Training & Development, Project management, event planning
Digital Marketing	Content Creation, Brand Management, Online Engagement, Strategic Planning
Client Relations	Stakeholder Engagement, Business Planning, Client Retention

Professional Experience

Boopin

Accounts Director | May 2022 – Present

I lead the social account management team and function across several departments with +20 team members, overseeing strategy, performance, and delivery across key client portfolios. I drive the development of niche, insight-led strategies and high-impact campaigns, ensuring the flawless execution of comprehensive social and digital ecosystems. Under my leadership, the team consistently delivers sustained monthly growth, elevated

engagement, and measurable business impact, positioning social media as a core growth engine rather than a support channel, and contributing to the client's growth and success regionally and globally.

Global PerfAI

Board Member | Jan 2026 – Present

As a Board Member at Global PerfAI, I contribute to the strategic direction of the AI-driven affiliate platform designed to meet brands' specific growth objectives.

ReserveOut

Social Media Director | August 2020 – June 2022

As the Social Media Director at ReserveOut, I spearheaded social media strategies and content development to significantly enhance brand visibility and user engagement. I managed cross-functional teams to ensure that brand messaging remained consistent across all digital platforms. My leadership was instrumental in directing the creation of engaging content and managing various promotional campaigns that strengthened the brand's online presence.

SocialEyez

Account Manager / Content Specialist / Online Engagement Specialist | December 2011 – August 2020

During my nearly nine-year tenure at SocialEyez, I managed high-profile client accounts, including major telecommunications providers like Etisalat. I focused on social media engagement and customer support, developing and implementing strategic plans for digital marketing campaigns and promotions. I also led the Social Engagement team, where I provided comprehensive training on customer support and social media interaction. My responsibilities included creating detailed buzz reports and contributing to company newsletters, reporting directly to the Director. I effectively utilized tools such as CoTweet and Google Documents to manage content and track engagement metrics. I also was responsible for on ground event coverage in sync with live TV broadcast (Arab Reading Challenge).

ABB

Trainee | June 2007 – July 2007

In my early career as a trainee at ABB, I gained foundational experience in professional coordination and communication. Was responsible for coordinating professional meetings and events, as well as drafting internal and external correspondence. Additionally, I developed PowerPoint presentations to highlight company achievements and created weekly newsletters. My role also involved supporting end-users with system modifications and enhancements and conducting training sessions for new users.

Education

Degree	Institution	Graduation Year
Master of Public Administration (MPA)	Yarmouk University	2012
Bachelor of Management Information Systems (MIS)	United Arab Emirates University	2008

Certifications & Training

Completed my professional experience with several certifications, including a TOEFL Certificate and a Photoshop Certificate. Also participated in the Dubai Stock Game and received specialized training in Event Coordination and Leadership. My technical skills are further supported by a Movie Maker Certificate.

Languages & Interests

Languages: Arabic (Fluent), English (Native), German (Proficient)

Interests: Volleyball, Adrenaline junky, Travelling, Astrology and Geology
